RE: Approved APP

DATE: February 5, 2014

-
1. This is to reiterate the memorandum released by this Office, Re: Approved APP.
 2. It has come to our attention, that the unit price and quantity in the approved Purchase Request (P.R.) and the Bill of Materials for repair did not coincide with the approved APP.
 3. In this connection, the School Heads are hereby directed to follow the approved APP, particularly on the unit price and quantity of supplies and materials.
 4. Further, be informed that the allowable price escalation is 10% only based on the updated prevailing price from DBM.
 5. For immediate dissemination.
