11 April 2014

INGRID G. RACOMA PhD, CESO V
Regional Director
Department of Education (DepEd)
Region 10

Dear Director Racoma;

Greetings!

The OPLAN BALIK ESKWELA is an annual program of the government spearheaded by your department (DepEd) with the support of other government agencies including our agency, the Bureau of Fire Protection to ensure the smooth opening of classes.

The usual execution of said OPLAN is on the month of May. This time however, we would like to inform your good office that we want to conduct FIRE SAFETY INSPECTIONS earlier while there were no pupils/students in the campus yet and if our Fire Safety Inspectors finds some FIRE SAFETY VIOLATIONS there would be enough time from your end to correct such prior to the opening of classes comes June 2014.

Our Fire Safety Inspection will start from your regional office, division, district offices and to the succeeding lower schools (kinder/elementary/secondary levels) within your Area of Responsibility (AOR).

There will be an inspection team from our regional/provincial/district fire offices which will conduct inspection in their General Office Attire (GOA) with a Mission Order at hand and shall coordinate with you and your respective provincial/district offices region wide.

Should there will be safety concerns, we would immediately discussed it with and correct prior to the opening of classes.

Attached herein are the DepEd Order from DepEd Secretary, Br. Armin A. Luistro FSC and Letter coordination of the late DILG Secretary, Jesse M. Robredo respectively as ready reference.

Hoping for your kindest support and approval.

Respectfully yours,

FSUPT LINDY C LAUZON, DSC
Officer-in-Charge
