Congratulations Graduates!

You have certainly achieved another milestone in your life. Without a doubt, you are now more than ready to begin another journey and another challenge – this time only bigger and definitely harder. Ahead of you is an opportunity as well to create another beautiful and inspiring story of success despite your difficulties and struggles in life.

The secret to future success is no secret at all – it is by choosing to never stop schooling, to never stop learning and to never stop pursuing your dreams that you become successful eventually. Success does not happen overnight; it is a product of a lot of sacrifices.

The realities of life in our country, particularly in our province, show us how financially challenging it is to finish and complete an education. Yet, as Filipinos, we value education the way our elders taught us. Do not lose this edge.

INDEED, THE KEY IS TO NEVER STOP!

A Happy MisOr to all. God bless!

JOEY G. PELAEZ

Vice Governor

Province of Misamis Oriental
