 Schools Division Superintendent
 Division of Misamis Oriental
 Cagayan de Oro City

Dr. Limbaco,

Greetings!

We appreciate so much your favourable response to our request for the MisOrCareS Card distribution for Teachers scheduled in the districts from Opol to Lugait, Misamis Oriental. Late afternoon last Saturday, February 13, 2016, an instruction was received from the MisOrCareS Provincial main office to suspend the activity and was planned to resume during the schedule of Governor Yevgeny Vincente B. Emano's turn-over of SEF projects. It was decided for the reason of saving the use of resources for the said activity such as; manpower, vehicle usage, and fuel.

But for those schools where the Honourable Governor cannot visit, the MisOrCareS team shall proceed with the Card distribution at the time allowed by your office, that is, every 12:30 noon.

Thank you so much.

God bless and more power!

Very respectfully,

RHANDY L. AKUT

MisOrCareS Assistant Provincial Coordinator
