Dear Regional Director Bayocot:

Warm greetings of solidarity!

The Alliance of Concerned Teachers (ACT) is a national organization that represents the more than 800,000 teaching and non-teaching personnel in both public and private schools. We are concerned with the problems and issues that affect these educators in the public, private schools and universities. We help them find possible remedies through forums, meetings, dialogues, lobbying and mass delegations to concerned individuals, offices and agencies.

Part of our commitment to our constituents is to help in their development as professionals so that quality education could be achieved. Therefore, in cooperation with Education International, we are conducting the 2018 2nd National Clustered National Leadership Training Seminar (CNLTS) for our teacher-leaders. Among the recipients of the program are teachers from different Schools Divisions of Region X and it will be held on August 17-19, 2018 at Mindanao Cooperative Hostel Services Yacapin-Tiano Sts, Cagayan de Oro City.

The training seminar aims to:

- a. help the teacher-leaders and future teacher-leaders nationwide in their professional growth;
- b. help them develop to become future teacher-leaders and to be more responsible and conscious;
- c. impart to them the general principles/concepts and objectives of the Department of Education (DepEd) and relay to them the important tasks that they have to do as educators;
- d. make them aware of their benefits as well as their rights and responsibilities;
- e. impart to them the knowledge on the proper management of their federations and faculty clubs; and
- f. educate them on the proper handling of issues and problems that may arise within their respective schools or their other member schools between the administration and teachers, among teachers and between teachers and parents or teachers and students. This is a major and conducive factor that would
