Dear Superintendent Limbaco:

The remarkable success of the continuing Books Donation Program of the Children International Philippines, Inc. (CIPI) through the Office of the Vice Governor was made possible with the unwavering support of your office. We wish to sincerely thank you for the generosity and special attention you have extended to our advocacy for education.

At present, we are on the 5th batch of books distribution. We have initially delivered books to a number of schools in the province this month and we have scheduled some other schools for next month. Attached is the list of schools with the corresponding delivery dates. Relative thereto, we wish to respectfully request for your help in coordinating with the remaining school-recipients regarding the delivery schedules.

Moreover, to ensure effective utilization of the donated books, we find the issuance of a Division Memorandum necessary.

We look forward to your continued support to our advocacy in encouraging every learner in the province to love reading and be happy with it.

Once again, thank you and more power!

Very truly yours,

Joey Pelaez
