**Dr. Dela Peña;**

Greetings of peace and understanding!

The **Young Southeast Asian Leaders Initiative (YSEALI)** and the **Alumni Mobilization Program through Leadership and Influence to Filipino Youth (AMPLIFY) 6.0** supports the programs and projects of the youth leaders in Southeast Asia wherein it focuses on the main four (4) programs on **Civic Engagement, Economic Empowerment, Governance and Society, and Sustainable Development and the Environment.**

As a member of these groups, I would like to ask permission from your Office that I will be allowed to conduct series of school visits to implement my program entitled, **Project SCASE: Save Children Against Sexual Exploitation** among Grade Ten (10)- Grade Twelve (12) Learners starting **August 8-12, 2022.** These are the following schools that I would like to visit:

- ✦ **Baliwagan National High School**, Balingasag South District
- ✦ **Misamis Oriental National High School**, Balingasag North District
- ✦ **Salay National High School**, Salay District
- ✦ **Talisayan National High School**, Talisayan District
- ✦ **Medina National Comprehensive High School**, Medina District
- ✦ **Villanueva National High School**, Villanueva North District
- ✦ **Misamis Oriental General Comprehensive High School**
- ✦ **Opol National Secondary Technical School**, Opol East District
- ✦ **Alubijid National Comprehensive High School**, Alubijid East District
- ✦ **Initao National Comprehensive High School**, Initao North District
- ✦ **Lugait National High School**, Lugait District

The project aims to give the participants an opportunity to identify strategies that will further advance the implementation of the Child Protection Policy, and thereby promote the best interest of all Misamisnon school children.

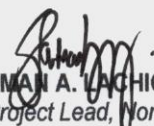

The program will only take an hour of sharing and inputs to the participants. I understand that the participants are now in their summer vacation, rest assured that the implementation won't be a whole day event, considering that the participants also need rest. And when it comes to coordination and assistance, I will be connecting this project and implementation to the Public Schools District Supervisors.

Your positive response to this endeavor would bring optimistic impact to the lives of our Misamisnon children and youth.
