Department of Education

Dear Supt. Limbaco:

Greetings of Peace!

The Association of Private Secondary Schools in Cagayan de Oro and Misamis Oriental (APSSCOMOR) will be holding its Beginning of the Year Assembly on July 18, 2017 from 9:30 o'clock in the morning to 4:00 o'clock in the afternoon. The theme of this year is: "Managing Educational Change in the 21st Century".

Aside from the usual business meeting, we have invited Dr. Dixon Yasay, Director of Xavier University Governance and Leadership Institute as our distinguished guest speaker. He will share his expertise on "Managing Instructional Supervision in a 21st Century Classroom".

In this connection, the Association would very much appreciate your endorsement of the activity. It would encourage more schools to join the Assembly.

The Assembly is also a perfect time for private secondary school administrators and coordinators to get acquainted with each other and work towards a common vision: to raise the bar of education in the region with the Department of Education as its formidable partner.

We hope this merits your support through an endorsement to all schools concerned.

Thank you very much. I remain

Respectfully yours,

EMMANUEL JOSEPH O. INNIS

July 4, 2017

Dear Sir/Madam:

Greetings of Peace!

You are cordially invited to the Association of Private Secondary Schools in Cagayan de Oro and Misamis Oriental's (APSSCOMOR) Beginning of the Year Assembly on July 18, 2017 from 9:30am to 4:00pm. Over 40 private secondary schools from Cagayan de Oro City and Misamis Oriental are expected to join this gathering.

While the innovations in education are breaking traditional methods and perceptions and the challenges that these reforms entail demand skill and commitment from educators, the question we all must ask: How do we keep up? To answer this question, we chose a year-long theme to remind us of our on-going task: "Managing Educational Change in the 21st Century".

One of the most, if not the most important roles we play as a school administrator is that of being an instructional supervisor, and we have invited Dr. Dixon Yasay, Director of the Governance and Leadership Institute at Xavier University, a highly sought-after resource speaker and workshop facilitator to help us get retooled in this area. He will shed more light on the topic: "Managing Instructional Supervision in the 21st Century Classroom."

We have also invited Dr. Jean Macasero and Dr. Vevian Tuason, Private Schools Coordinator of Cagayan de Oro City Schools Division and Misamis Oriental Schools Division respectively to grace the occasion. We hope Dr. Macasero can provide us some updates on the Unified Assessment which will be implemented among private schools in Cagayan de Oro this school year.

We have yet to confirm with our sponsor on the venue of our Assembly. We will let you know of this information a week from now or as soon as we have made our final arrangements.

The Assembly is free but we will take this opportunity to remind you of our annual membership fee of 500php for schools with 500 students or less and 1000php for schools with 501 students or more.
