Dear Sir,

Greetings!

The Philippine Drug Enforcement Agency (PDEA), through the Preventive Education and Community Involvement Service (PECIS), is continuously undertaking efforts to reach various sectors of the society to participate in our illegal drug campaign.

Relative to this, we would like to request that you allow us to conduct lectures to all high school students in your schools on the Ill Effects of Illegal Drugs and Salient Provisions of RA 9165. We want them to comprehend that any involvement in illegal drug activities could ruin their chance for a good future. We want them to make an intelligent choice, founded on a personal conviction, to stay away from drugs in preparation for better opportunities that life has to offer.

In this regard, we would be grateful if you could accommodate us in one of your schools preferably with a big venue for us to conduct our lectures.

Should you have any queries on this request, please feel free to contact us at our hotline number 09173015553 and look for Ms. Rosemarie Bajao- PEGI Officer, PDEA 10.

Thank you and more power.

Respectfully Yours,

DIR. III ADRIAN G. ALVARINO, MDM, CESE
