Dear Dr. Farnazo:

Greetings from the officers and members of the Philippine Regional Language Center Scholars Foundation, Inc. (PhRELCSFI), the first recognized alumni association of SEAMEO-Regional Language Center, Singapore.

PhRELCSFI is an association propelled by the mission to provide professional development of school leaders, teachers, and educators in the workplace and to sustain quality education through efficient, effective and humanistic instruction in English, Filipino and other languages. This is with strong consideration of the critical functions of language proficiency in the performance of their roles as educators. It started as an organization of former grantees of scholarship at SEAMEO Regional Language Center (RELC) Singapore.

In order to benefit more language enthusiasts, membership in the organization has been extended to other professionals involved in teaching and managing programs in English, Filipino and other languages in the Philippines.

This school year, PhRELCSFI will conduct a National Seminar-Workshop on the theme *"New Perspectives on Language Teaching and Learning, Methodologies and Assessment: A Continuing Challenge"* on May 19- 21, 2017 at Teachers Camp, Baguio City. (DepEd Advisory No. 56. s.2017)

3. equip administrators, supervisors and teachers with current perspectives on assessment of learning outcomes; and
4. engage them in a discussion on issues in language education in a multicultural context.
