Ms. Cherry Mae L. Limbaco
Schools Division Superintendent
Office of the Schools Division Superintendent
Department of Education-Misamis Oriental

Dear Mr. Limbaco:

Greetings from Philippine Business for Education!

Since 2006, PBE has been the business community's response to the need for sustained advocacy in education reform. In partnership with the Australian government, it is also implementing the Scholarships in Teacher Education Program to Upgrade Teacher Quality in the Philippines (STEP UP). It is a scholarship program that aims to produce 1,000 high quality teachers ready for public school employment by 2019.

PBE is conducting a series of communication campaigns nationwide to disseminate information to promote the program. In line with this, we hope to seek for your endorsement thru the following:

1. Display of posters and collaterals in the office building premises
2. Mentions in the official online platforms
3. Inclusion in public announcements

Through this collaboration, your organization will be able to help us recruit potential teachers who will take part in uplifting the image of teacher quality in the country. In particular, we wish to attract public senior high school teachers who do not have the professional licence yet.

We believe that equipping them with 18 education units in our partner schools will allow them to become better educators and take part in the improvement of Philippine education. In the region, the scholarship is available in Xavier University.

Attached to this letter are PBE brochure and STEP UP briefers for your reference.

For confirmation, please do not hesitate to contact Ms. Anna Sarte, program officer, thru phone (02) 801 4446 or mobile 0917 8158305 and e-mail at absarte@pbed.ph or visit www.stepupph.org.

Thank you very much and we look forward to your support in advancing the state of Philippine education.

Sincerely,

Ling Edillon
STEP UP Program Manager

About PBEEd

Philippine Business for Education (PBEEd) is a non-profit, non-stock organization established in 2006 by top CEOs in the Philippines as a response to the call to nurture consensus and sustain actions for education policy reform. It aims to become the voice of the business community in matters concerning education in the country.

The improvement of teacher quality in the country is a cornerstone of PBEEd's education reform efforts. Cognizant of the importance of excellent teachers, PBEEd has launched several programs to help address the declining quality of teachers in the country. One of such efforts is Scholarships in Teacher Education Program to Upgrade Teacher Quality in the Philippines (STEP UP).

STEP UP

STEP UP (Scholarships for Teacher Education Programs to Upgrade Teacher Quality) is a scholarship campaign supported by the Australian Government and in partnership with the Department of Education (DepEd) that seeks to attract the top 25% of graduating high school students, financially challenged junior students in the partner schools, and good-performing college graduates and professionals into the teaching profession by offering them competitive scholarship packages. A total of 1,000 scholarships will be awarded to deserving candidates between the years 2015 to 2019. The goal of the program is to produce 1,000 high quality teachers ready for public school employment by 2019.

For the S.Y. 2017-2018, the program is open to young professionals, career shifters and graduates of any bachelor's degree except for BS Education.
