THRU CHANNEL:

Sir:

Greetings!

Children are priceless treasure and each of them bears something special and unique. Most children excel in sports, song, dance, literature, mathematics and others require a little more encouragement and support to their developmental milestone. Special Education exists to support and cater their unique needs and help them to reach their utmost potentials.

We are happy to inform you that the Special Education Class of Initao Central School will have an annual Art Exhibit entitled, "An Art with a Heart, Year 7" on June 2, 2023, Friday at 7:30 a.m. - 12 nn. This is one of the outreach activities of the class to promote awareness about Special Education and how we can support them in the community.

In line with this event, may we request Dr. Joanna Ruby L. Presente, Ph. D. and MisOr SpEd teachers to be part of this event. Your support means a lot to these children.

Thank you and more power.

Respectfully yours,

SILYN MARY B. PASA
Special Education Teacher
