DIVISION MEMORANDUM

No. 473 s. 2022

**WinS MASSIVE OPEN ONLINE COURSES (MOOC)
ON INFECTION PREVENTION AND CONTROL (IPC) IN SCHOOLS**

To: Elem. and Sec. School Principals, School Heads/SIC
School WinS Program Coordinators
School Health Personnel
All other Concerned

The Department of Education (DepEd) Bureau of Learner Support Services-School Health Division (BLSS-SHD), in collaboration with Deutsche Genellschaft fur Internationale Zusammenarbeit (GIZ), through the Regional Fit for School Programme, Hygiene and Behavior Change Coalition (HBCC), and Stockholm International Water Institute (SIWI), will conduct **WinS MASSIVE OPEN ONLINE COURSES (MOOC) ON INFECTION PREVENTION AND CONTROL (IPC) IN SCHOOLS** on September 5-17, 2022.

The online course is designed for the school personnel to help them understand IPC, its importance for the school setting, and how to implement IPC measures. The course further highlights the role of health and hygiene measures in schools as part of their preparedness and response strategies, thereby creating an even greater demand to capacitate the school personnel on infection prevention and control (IPC). The content of this IPC MOOC is in accordance with and in support of DepEd Order 14, s. 2020 or *Guidelines on the Required Health Standards in Basic Education Offices and Schools*

The participants to this course are all elementary and secondary schools. Each school can send two participants: School Head and one teacher either assigned as School WinS Coordinator, school clinic teacher, teacher managing screening area, or sanitation and waste management coordinator. This is a four-six-hour course and the participants are given two weeks to complete the course. The completers will receive a Certificate of Completion signed by DepEd and its international partners SIWI and GIZ. The course link is

How to Enroll in the Course

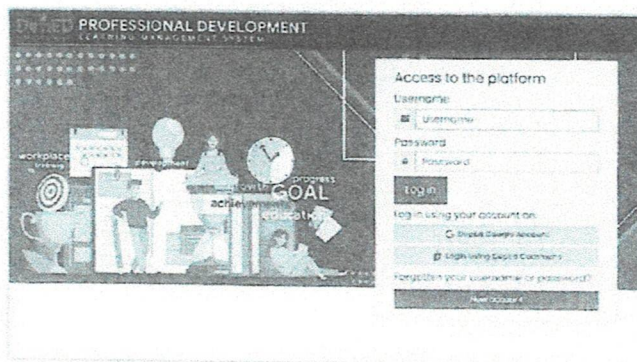

Welcome to the Massive Open Online Course (MOOC) on **INFECTION PREVENTION AND CONTROL (IPC) in SCHOOLS**. This course aims to help school heads, teachers, and school personnel to better understand the topic of Infection Prevention and Control (IPC) in schools, its relevance to school operations, and the implementation of IPC measures. The course will also explore the connection between Water, Sanitation, and Hygiene in Schools (WinS) and IPC, as part of the Oplan Kalusugan sa DepEd (OK sa DepEd) program. IPC in schools has gained particular relevance in the recent COVID-19 pandemic, which underlined the role of health and hygiene measures.

Following is the step-by-step guide on how to enroll in the course.

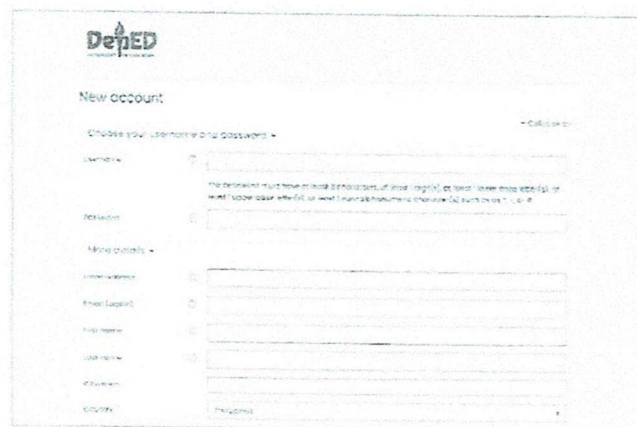

To enroll in the course, you need to have an account in the DepEd's Professional Development LMS, a Training System for Teaching and Non-Teaching Personnel.

Step 1:

- Go to <https://training.deped.gov.ph/>
- To create an account, click "New Account."
- If you already have an account, proceed to Step no.4 and login using your registered e-mail address and password.

Step 2: Fill out the form.

Step 3: After submitting the form, you will see this notification; click "Continue" to confirm your new account

Please click on the link below to confirm your new account.
If you need help, please contact the site administrator.

IPC MOOC
Infection Prevention and Control in Schools

Welcome to the self-paced online course!
The aim of this course is to help school health teachers and school personnel in the Philippines to understand better the infection prevention and control (IPC) in schools, its relevance to school operations and the implementation of IPC measures. The course will also explore the connection between water, sanitation and hygiene in schools (WASH) and IPC, as part of the link to support the implementation of IPC in schools. This course is a free, self-paced online course. For a complete list of help topics on the course, click on the link below.
