Dear Dr. Limbaco:

Greetings!

Per Presidential Proclamation No. 124, DOH-TRC will join with other government agencies in the observance of Drug Abuse Prevention Control Week that will happen in the 3<sup>rd</sup> week of November. The aim of this celebration is to raise awareness of the perils and dangers of drug addiction.

In the light of this celebration, DOH-TRC as a government institution is organizing activities and programs to celebrate the said occasion to bring about social/community awareness of the ill-effects of drugs to the community. The DOH-TRC personnel will educate the community as to the role of the organization in treatment and rehabilitation of individuals with substance disorders. It will inform the community of the different services offered to the community.

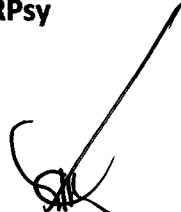

To bring this information closer to the mind and heart of our students, the Center plans to hold a **Quiz Bowl and Poster-Making Contest on November 16, 2017 @ the Activity Area, Ayala Centrio Mall. For the Quiz Bowl, we are expecting that there will 3 Junior High School students representing each school. For the Poster-Making Contest, we only need 1 representative for each school. May we solicit help from you by encouraging 3 of your schools (preferably with Barkada Kontra Droga Program) to join the said activities?**

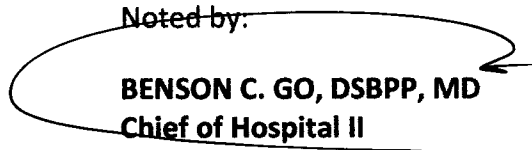

In this connection, may we invite you to become part of this celebration? These identified schools will then represent your Division. Attached are the **Mechanics and Guidelines of the said Quiz Bowl**. For your queries, you may call us at 09173261765.

In behalf of DOH-TRC, let me close in deep gratitude and hopeful anticipation.

Sincerely yours,
