October 22, 2019

**RANDOLPH B. TORTOLA**  
Schools Division Superintendent  
Division of Misamis Oriental

Sir:

In line to the K-12 Curriculum of the Department of Education, the Alternative Learning System implements the ALS 2.0 which is the Lifelong Learning Skills of our Out-of-School Youth and Adult who are ALS Learners. This aims to develop the potentials of our learners to enable them to compete globally.

We have the enhance ALS curriculum which is composed of six (6) Learning Strands: Communication Skills, Scientific Skills, Mathematical Skills, Live & Career Skills, Understanding of Oneself Skills, and Digital Citizenship Skills.

We are developing our learner's potential in Sports and Music in the Life & Career Skills which will help them show their abilities and let them feel that they have a big part in the progress of our community and country as well.

Hence, we are holding the Sports Culminating Activity to be hosted by Villanueva District this coming October 30 & 31, 2019. Delegates from different participating district and municipalities in Misamis Oriental will be participating in this activity.

In connection to this, we would like to ask your permission to hold this activity, allowing delegates from different district to travel to Villanueva and give chance to our ALS learners show their potential in sports. Scouts from different sectors will be coming and select potential players in volleyball and basketball for scholarship.

We will be very grateful for your approval and permission to our request.  
Thank you very much.

Very truly yours,

  
**REMEDIOS P. VIRADOR**  
DALSC  
Culminating Activity Chairperson

Noted  
  
**ANDRIAN F. TECSON**  
Division ALS Focal Person
