1. The MATATAG Agenda was launched as the new direction of the Department of Education (DepEd) towards improving the quality of basic education (*DepEd Memorandum No. 54, s. 2023*). This was also articulated in DepEd Order No. 13, s. 2023 on the Adoption of the National Learning Recovery Program (NLRP). The fourth critical component of the said agenda focuses on 'Giv(e)ing support to teachers to teach better'. It includes giving support through the utilization of available Learning Resources (LRs). In view of this, the Curriculum Implementation Division (CID) through the Learning Resources Management Section (LRMS) will conduct a virtual conference on **December 12, 2023 at 8 am** onwards. A link will be provided on an identified platform.
2. The purpose of this activity are as follows:
  - 2.1 To revisit the division Quality Assurance (QA) process;
  - 2.2 To tag appropriate labels of inventory of Learning Resources (LRs) at district shared drives or housekeeping of LR4ALL initiative;
  - 2.3 To identify potential Learning Resource Evaluators (LREs); and
  - 2.4 To align projects and initiatives regarding LR to Individual Performance Commitment and Review (IPCR).
3. This is for the information and guidance to all concerned.
