Subject: FIRE INSURANCE POLICY

Date: March 9, 2018

1. This is to remind all concerned that under Republic Act 656 otherwise known as the Property Insurance Law, every government agency is required to insure its properties under the Government Service Insurance System (GSIS). Relative to this, all principals and school heads are directed to secure or renew the GSIS Fire Insurance Policy of their respective buildings to protect it against untoward incidents. Attached is a copy of RA 656 and policy status of schools with GSIS Fire Insurance.

2. A sample excel file of the GSIS Fire Insurance Form is available for download through www.depedmisor.net under Downloadables->Forms. This will be used for application and inventory of buildings and their contents. School heads and principals are also reminded to fill out the forms properly.

3. For your guidance and compliance.
