Notes:

- The date of administration may be moved/extended since it depends on the availability of computer units and readiness of the testing centers.
- Only SDOs under GCQ/MGCQ may administer the Computer-Based English Proficiency Test (EPT). SDOs must follow the minimum health standards and shall secure a certification from local health authority that

that the testing center is not used as quarantine facility and it is safe to conduct the EPT (whether paper-and-pencil or CBT) in the said testing center.

- SDOs with big number of examinees are advised to use the paper-and-pencil mode of testing to reduce the number of testing days.
