Attention: THE DIVISION SUPERINTENDENT

TO THE PRINCIPAL/ SUPERVISOR/ TEACHERS

Dear Ma'am/ Sir:

We would like to congratulate you for your commitment to your school's improvement and enhancement of your teachers. Keeping in mind that you believe in the importance of continuing education and professional development, we are inviting your personnel to attend the following events.

We're also glad to inform your office that we had complied with the requirements set by the Department of Education through DepEd Order No. 8, series of 2013 entitled Policy Guidelines on Issuance of Advisories. As such we are tasked to submit reports and evaluation of each training to DepEd-Office of the Undersecretary for Programs and Projects.

INTERNATIONAL SEMINAR- CONFERENCE ON SCHOOL-BASED MANAGEMENT PRACTICES

October 18-20, 2013 -Notre Dame University, General Santos City

Many governments including ours, have seen the merits of implementing School-Based Management not to simplify works and mechanisms for central agencies but to empower local education heads to lead in the management of schools for one significant expected result- to translate all management decisions to effective learning. The Southeast Asian Institute of Educational Training, Inc. is geared towards helping teachers and school heads realize the true essence of School-Based Management by highlighting School-based Management practices both in our country and our neighbors in Asia. This is through the International Seminar-Conference on School-Based Management Practices on October 18-20, 2013 at the Notre Dame University in General Santos City.

INTERNATIONAL SEMINAR ON SPECIAL EDUCATION
December 20-22, 2013- CAP Development Center, Davao City

The Department of Education (DepED) has ordered the creation of at least one Special Education (SPED) class in each division and the implementation of SPED programs in all districts where there are students of special needs (DepED Order No. 26). This is the agency's response to the Philippine's signing the Salamanca Statement of Action on Special Needs Education which recognizes the principle of equal opportunities for all children regardless of their physical, intellectual, social, emotional, linguistic or other conditions (SSAPNE, 1994). With the commitment of the government and the resolve of the present leadership of the country's basic education to ensure the implementation of SPED all over the country, there is now a growing need to train our teachers to handle different cases of children such as autism, hearing impairment, intellectual impairment, physical impairment, speech-language impairment and visual impairment. The Southeast Asian Institute for Educational Training, Inc. shall hold the International Seminar on Special Education on December 20-22, 2013 at CAP Development Center, Davao City.

Our speakers come from top foreign and national universities and educational institutions. These seminars can be attended by classroom teachers, master teachers, school heads, principals and supervisors. Onsite registration fee is Php 3,780 which covers lunches and snacks, bag, print materials and cds. Discounted registration should be deposited through bank before October 10 for the International Seminar on School-based Management and; December 16, 2013 for the International Seminar on SPED. To avail of the discounted rates, please deposit registration fee Php 3,380 to any branch of Metrobank. Account Name is Southeast Asian Institute of Educational Training Inc. with Current Account No. 522-7-52290976-5. For more information, please call or text 09175142715 and 09194835394. Thank you very much.

Respectfully,

Arman Ayson
Program Director
