DIVISION MEMORANDUM

No. 478 s. 2016

TO: ALL ELEMENTARY AND SECONDARY NURSES
This Division

FROM: CHERRY MAE L. LIMBACO, Ph.D., CESO V
Schools Division Superintendent *w*

DATE: October 17, 2016

**SUBJECT: LECTURE ON EMERGING AND RE EMERGING INFECTIOUS DISEASES DURING
IN SERVICE TRAINING (INSET) OF TEACHERS ON OCTOBER 24 -26, 2016.**

- I. Presently there are several mosquito borne emerging (Zika Virus) and re- emerging (Dengue fever, Chikungunya Virus, Japanese Encephalitis) infectious disease in the Philippines today and even locally in Misamis Oriental.
- II. To create awareness on the on the signs and symptoms, transmission and prevention of these diseases, we need to inform the teachers, the students/pupils and parents regarding the nature of these diseases.
- III. In this connection, you advised to conduct a 30 minute lecture on: Dengue fever updates, Chikungunya , Zika Virus and Japanese Encephalitis during the In Service Training of teachers (INSET) on October 24 -26, 2016 in your respective schools/ districts.
- IV. This information could help prevent the occurrence and the spread of these diseases in our public schools.
- V. For information, guidance and compliance.
