Dear Dr. Tortola:

This is to request authorization from your office to enable **three student leaders and one faculty moderator** from each of the high schools in the city division to attend the year's launching conference of Campaign for Character Education Tenacity (CACHET), a joint project of AlalaysaPamilya at Bayan (APB) and I Am S.T.R.O.N.G. - I Keep Love Real Program of the University of Asia and the Pacific. The conference is scheduled for **Monday, 19 November 2018**, at the **Xavier Estates**, with the delegates preferably SSG officers and club presidents.

CACHET has been in operation for five years now, and covers more than 120 schools across the National Capital Region, Calabarzon, and Region 10. On the other hand, I Am S.T.R.O.N.G. has been conducting character education and leadership seminars for close to 20 years, mainly in public high schools, and has been in direct contact with more than 5,000 students nationwide, in collaboration with the Department of Education.

For the students, the conference seeks to provide the delegates with the experience-based nuances of making good and responsible day-to-day decisions on key aspects of their lives (from family to studies and career, friends, relationships, lifestyle and life of faith), particularly in the context of their present calling to student leadership. The approach is highly interactive.

For the teachers, the conference shall deal with the basics and nuances of building a culture of excellence in their respective schools, including the best practices of realizing CACHET ideals in the respective school setting.

No fee is being charged since all conference-related expenses are underwritten by APB. The delegates are requested to take care of transportation to and from the site.

We hope that you will find this invitation worth your while. The impact of the program on the young has helped sustain a struggle for sterling life in the face of challenges, joys and travails towards maturity. Thank you and warmest personal regards.
