Dear Dr. Tortola;

**Greetings of peace and prosperity!**

The Local Government Unit of Villanueva in collaboration with the Philippine Foundation for Science and Technology will feature forty (40) unique interactive exhibits this coming August 22 to September 27, 2018 at the Villanueva Gymnasium.

The exhibit aims to excite the young mind of students to learn more about science, apprise their interest and appreciate how it affects and works in order to improve the quality of life in their day to days endeavor. It is also anchored on the DepEd K-12 curriculum whose main objectives is to instill and enhance the basics sciences concepts and processes through effective tools and performing activities. It further allows the students to personally experience science technology discovery, interaction and manipulation with an educational yet exciting and stimulating learning exhibits in the atmosphere of fun and entertainment. Finally, it provides an effective venue of learning K-12 science program beyond the classroom.

In view hereof, may we reiterate our wholehearted request to the Division of Misamis Oriental, to support the Local Government Unit of Villanueva and the Philippine Foundation for Science and Technology of this endeavor, by allowing the elementary, junior and senior high school students of **Tagoloan, Claveria, Jasaan and Balingasag districts**, to visit and witness the first ever interactive science exhibits held in the municipality of Villanueva, province of Misamis Oriental.

Your cooperation and support is not only significant to make this activity more fruitful and meaningful especially that it will provide your school, pupils and students other avenue to explore science education through this method.

Your favorable consideration on this appeal is very much appreciated.

Thank you and God bless.

Truly Yours,

  
**JENNIE ROSALIE T. UY**  
Municipal Mayor
