Sir / Ma'am,

BRAINTRUST EDUCATIONAL DEVELOPMENT SYSTEM is in partnership with **MANA Millenium Technical School Inc.** a prestigious computer school in the City of Cagayan de Oro with office address at Lui Bldg., 2nd Floor, Tiano Brothers St. Corner, Gomez St., Cagayan de Oro City. **BRAINTRUST** would like to inform you that we have launched a Computer Literacy Program especially granted to high school students. This program offers Computer Hands-on Advance Training for three (3) months and three (3) weeks, Advance Short-term Course on Software and Hardware in Microsoft Application every Saturday and Sunday for two (2) hours purely hands-on every session. An Institutional Certificate from **MANA Millenium Technical School Inc.** will be issued after the training.

In view of the above partnership with **MANA Millenium Technical School Inc.**, **BRAINTRUST EDUCATIONAL DEVELOPMENT SYSTEM** will be conducting a Science and Computer Aptitude Test for ten (10) minutes only in order to pre-qualify your students to the aforementioned computer training. Those who will pass the examination will receive a Special Privilege from the Program, but it is not compulsory on the part of the parents, it is on voluntary basis only.

Hence, may we request your kind permission to please allow us to conduct the said examination to your students from grade 6th to 12th year simultaneously, as this may also determine the proficiency level of your students in the field of Science and Computer.

Thank you and we look forward for your favorable action on the matter.

Very truly yours,

MARICAR OBEES. DABLO
