Dear Madam:

Greetings of Love and Peace from the SCAAP!

Education is a vital factor in the advancement of our country especially in Science. We need tangible proofs and cohesive actions to come up in providing our students' and teachers brighter hope, innovations and researches in science.

Of prime importance is the fact that science congress is a wonderful opportunity to **spark original and creative thinking** among our students and teachers to promote long term investigations involving higher level learning thinking skills and to proudly share and showcase the results to the community.

Based on the above premise, the **Science Club Advisers Association of the Philippines in the coordination with the Department of Education will conduct the SCAAP National Science Congress to uplift the learnings of Science and Technology concepts and principles. Science Congress will be held at the La Vista Resort Complex, Pansol, Calamba, Laguna on February 1-3, 2015.**

The SCAAP's underscore the value of synergy and in drawing strength from working with you to realize this yearly project. **In view of this, may we invite your contestants to participate in the National Children's Science Congress.**

We're looking forward for your positive support to the science club movement in pursuit of excellence.

Thank you very much and God Bless!

Very truly yours,

AURORA R. CATABONA
President,
SCAAP-NEC

November 19, 2014

In compliance with DepEd Order No. 8, s. 2013
this Advisory is issued for the information of DepEd officials,
personnel/staff, as well as the concerned public.

(Visit www.deped.gov.ph)

NATIONAL CHILDREN'S SCIENCE CONGRESS OF THE SCIENCE CLUB ADVISERS
ASSOCIATION OF THE PHILIPPINES (SCAAP) INC.

The Science Club Advisers Association of the Philippines (SCAAP) Inc. will conduct its *National Children's Science Congress* from February 1 to 3, 2015 at the La Vista Resort Complex, Pansol, Calamba, Laguna.

The activity aims to:

1. provide the participants with effective medium in the development of Science and Technology concepts;
2. undertake Science activities which will enhance their creativity, understanding and exchange of novel ideas;
3. promote their academic excellence in Science through scientific research;
4. instill in their minds an atmosphere of sound competition, camaraderie, sportsmanship; and
5. give recognition to the winners and researchers of Science investigatory projects and other contests.

The regional level of the Congress will be held from November to December 2014.

The target participants are pupils, students and teachers who are winners of Category A (all first place winners in the region) and Category B (all second place winners in the region) from both public and private elementary and secondary schools.

All write-ups of the Science Investigatory Project, Science Action Research, Improvisation of Science Equipment and Innovation of Science Instructional Aid, First Place/ Second Place Regional Winners shall be sent for pre-judging to SCAAP Secretariat, Unit 424 GA Tower I corner EDSA, Boni Avenue, Mandaluyong City on or before January 19, 2015. Late entries will not be accepted.

Participation of both public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith.

More information may be inquired from any of the following:

Ms. Aurora R. Catabona

President

Science Club Advisers Association of the Philippines (SCAAP) Inc.
