**RE: SCHOOL BUILDINGS' FIRE INSURANCE at the GSIS**

1. Consonant to **Republic Act 656**, the Government Service Insurance System (GSIS) is empowered by law to issue an insurance that covers all properties, contracts, right of action and other insurance risks of the government including those in which the government has an insurance interest. Relative to this, all secondary and elementary school heads who were not able to file for Fire Insurance are directed to insure their respective school buildings at the GSIS to prepare for any untoward incident which can cause damage to the school buildings.

2. It will be the school heads' prerogative if school buildings will be insured by Fire Insurance only or Fire Insurance with Allied Perils which include insurance for Typhoon, Floods, Earthquake and others which are more advantageous to the school.
