Re : **COOP NATCCO NETWORK FINANCIAL EDUCATION ADVOCACY**

Coop NATCCO Network shall conduct a financial education advocacy named as Aflatoun Program. The Aflatoun concept is a unique idea of teaching a curriculum which combines social and financial education to empower children to become change makers. The Aflatoun curriculum is captured in eight workbooks which are grade-level specific. The workbooks promote the child-centered learning which comes about when children start to think as individuals imbued with different needs and learn at different speeds and ways. Through this program, pupils and teachers will develop skills and strategies that promote personal and financial responsibility related to financial planning, savings, spending, budgeting, and ethical resource management.

The first activity of this program shall be the Teachers' and administrators Training which aims to help participants understand the ideas behind this program and produce teachers who are financially-literate and inspired to share the concept to school children. The Teachers Training shall be on the following dates and venues with its corresponding proposed partner schools/ participants:
