#### PARTICIPATION IN THE HELP GIVE SHOES MOVEMENT 2015

Throughout the years, Milo has inspired athletic excellence and active lifestyle for generations of families. As such, Milo now shares its heritage and success in order to build a strong nation of champions, and it encourages an active and healthy lifestyle among school children. Started nearly four decades ago, the Milo Marathon made its mark in the Philippines by being the first marathon to be considered as one of the major national sports event. The event has been participated in by over 230,000 participants.

It has become Milo Marathon's advocacy to give shoes to underprivileged school children. With the *Help Give Shoes Movement 2015*, a portion of every runner's registration fee is put into a collective pool, which is then doubled by Milo with its own monetary donation. The total amount raised is used to buy running shoes donated to shoes-less public school children who are chosen based on their academic performance and athletic potential.

Indigent elementary pupils from public schools are encouraged to participate.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*. This activity is also subject to the no-collection policy as stated in Section 3 of Republic Act No. 5546, *An Act Prohibiting the Sale of Tickets and/or the Collection of Contributions for Whatever Project or Purpose from Students and Teachers of Public and Private Schools, Colleges and Universities (Ganzon Law)*.
