DIVISION MEMORANDUM

No. 407 s. 2015

To : Public Schools District Supervisors
All Secondary School Heads
All Central School Heads

From :  **CHERRY MAE L. LIMBACO, Ph.D., CESO V**
Schools Division Superintendent

Date : October 29, 2015

Subject : **DepEd Internet Connectivity Program (DICP) 2015**

1. The Department of Education (DepEd) has launched the DepEd Internet Connectivity Project (DICP) pursuant to DepEd Order No. 50, s. 2009 entitled, *"Launching the DepEd Internet Connectivity Project and Directing All Public High Schools to Subscribe to Internet Connectivity Services."* This shall complement the deployment of ICT equipment to the secondary schools.
2. The allotted budget for the said internet subscription is Forty Eight Thousand Pesos (Php 48,000.00) per annum per school. The amount was already downloaded by the Budget Section to the account of recipient **Secondary Schools and Central Schools**.
3. With these, the Division ICT Office conducted an online survey to identify the available and preferred ISP in the respective school areas. Also consolidated data from ISPs such as Globe Telecom and PLDT/Smart based on their school site survey and database.
4. For Schools to have **GLOBE internet connection** please prepare the amount of **Php 1,495** (one-time payment for the Tattoo Pocket Wifi device) to be paid upon the receipt of pocket wifi device, the payment shall be charge to the DICP allotted budget.
5. For Schools to have **PLDT internet connection**, PLDT will install/deliver the unit to your respective schools once available. No delivery/installation payment shall be charged to the school.
6. School Heads, if not yet complied, shall submit the following requirements to the Division ICT Section (look for Freddiejun T. Delig – ITO 1):
 - Duly accomplished Application Form
 - 1 copy Photocopy of Government Issued ID
 - 1 copy Photocopy of Appointment (for PLDT only)*Please secure Application Form from the Division ICT Section c/o Freddiejun T. Delig – ITO 1.*
7. Attached is the list of recipient schools and corresponding ISP internet package.
8. For strict compliance.

To the Principal

Good day!

In this day and age, Internet connectivity has become a vital tool for business communications. This has led to the development of countless companies. In most cases, business owners should consider not just speed as the only factor to determine which internet subscription to avail. Nowadays, the right smart devices, and business-enabling tools such as hardware, and cloud applications have to be considered.

This is the reason why PLDT myDSL Biz now comes with the latest smart devices, online package and gadgets which will surely give your business that edge over competition. As a further enhancement, all PLDT myDSL Biz packages also include a free static IP. Today, PLDT myDSL Biz provides improved business-grade internet connection speeds of up to 15 mbps! Choose from the options below which package that will best suite your business needs. Kindly put a check mark on your desired PLDT myDSL Biz Plan, choice of freebie and add-ons.
