Dear Atty. Chatto:

Greetings!

We would like to enjoin the schools of your region to share true, authentic Filipino food stories through our contest, Mga Kuwentong Pagkain (MKP) 2015.

Everyone has a *kuwentong pagkain* to tell. This contest aims to help promote Philippine cuisine and culinary heritage by looking for food tales that fall under these categories:

1. **Heritage Category** – stories of heritage that may include historic dishes and methods of cooking, age-old traditions and rituals related to Philippine food and family heirloom recipes;
2. **Regional/Local Category** – stories on regional or local cuisine or food industry, which may include unique local dishes and delicacies, artisanal specialties, food customs/rituals, unusual, rare or exotic native ingredients or preparation methods;
3. **Personal Experience Category** – personal stories related to food that may involve journeys, relationships and other meaningful life experiences.

The MKP 2015 Contest is open to all interested participants, and has no age limit. Minors, however, are required to submit their parent's/guardian's consent. Participants may submit entries as early as January 2015 until August 30, 2015. Please visit <http://msita.com/mga-kuwentong-pagkain/> for the complete Official Rules and Mechanics.

We hope that your good office could help us promote this initiative that would benefit the young generation in exploring and rediscovering our native food and culture.
