6. Immediate dissemination of this Advisory is desired.

Signature Project: **Rotary club of Cagayan de Oro East Urban**

Advocacy in Climate Change: Towards Disaster Resilience of the Individual, The Family and the Community to live Together in Peace and Harmony

A. Project Objectives

1. For the Rotary International to light up the individual, the family and the community for disaster resilience in response to climate change related calamities.
2. To prepare each individual for any climate change related devastation to still live together in peace and harmony.
3. To have the creative talents of secondary school students through in the spot poster-slogan making contest.
4. To challenge the young people to take pro-active role in the current state of the environment.
5. To enhance the public image of Rotary International in Misamis Oriental to non-Rotarians considering these facts:
 - Of the 23 municipalities of Misamis Oriental only Claveria, Jasaan and Tagoloan has a Rotary Club.
 - El Salvador City has no Rotary Club.
 - Gingoog City with a population of about 135 thousand has only two Rotary Clubs.
